

## LPA Judges & Lecturers who can provide talks and judging remotely during lockdown

**Mr. Ron Abbott.** Pinchbeck Photographic Group. Tel 01205 362777

e-mail:- [ronald\\_j\\_abbott1@kingscres.plus.com](mailto:ronald_j_abbott1@kingscres.plus.com)

I am willing to judge competitions and provide comments and positions or scores in document format. A week is usually long enough to complete the task. I would consider 'live' judging as long as the host club handles the technical side of things.

**Mr. Mike Bennett LRPS CPAGB EFIAP BPE3\*.** Cleethorpes CC. Tel 01472 200420.  
Mob 07944235662 e-mail:- [mikebennett416@btinternet.com](mailto:mikebennett416@btinternet.com)

I am OK and willing to do talks or judging on Zoom, Teams, Webex etc (I have experience on all these and other platforms at work), and could do so a shortish notice. I can do written comments/marking also but would need a few weeks' notice as I am working.

**Mr. Brian Gromett.** Cleethorpes CC. Tel 01472 812902

e-mail:- [brian.gromett@virginmedia.com](mailto:brian.gromett@virginmedia.com)

I am prepared to do some of this. I have done two chat for Dunholme and have third to come next month. I have done a PDI judging for Axholme with a written response. I have also done a video critique for my own Camera Skills Group. Probably better if people ring me to discuss their needs.

**Mr. Richard Houghton SWPP SINWP** Peterborough PS. Tel 0778 6036563.

e-mail:- [richard@photousphotography.co.uk](mailto:richard@photousphotography.co.uk)

Currently all my judging sessions scheduled until Christmas 2020 (and also some up to April 2021) have been changed to the on-line Zoom software format. The only specific requirements I have is to be sent the images to judge at least seven days ahead of the session. I usually let the club manage the images and points management system, as they would normally do. Although, naturally if it was a presentation of my own I would then take control of the software required.

**Mr. Darren Juggins.** Lincoln Camera Club. Tel 07868 705271

e-mail:- [darren@darrenjuggins.com](mailto:darren@darrenjuggins.com)

I will be quite happy to attempt to run an evening / lecture over the web as and if required.

**Mr. Colin Lusby CPAGB.**

North East Lincs PS.

Tel 01472 826150

e-mail: - [colinlusby@btinternet.com](mailto:colinlusby@btinternet.com)

I am prepared to judge providing clubs send me their images by e-mail using a program such as 'WeTransfer' and I will produce a score sheet / mark sheet or brief comments in a word document which can then be circulated to members.

**Mr. Jorj Malinowski.**

Lincoln CC.

Tel 01673 843831

e-mail:- [jorj.malinowski@gmail.com](mailto:jorj.malinowski@gmail.com)

I do remote judging and have done three sessions up to now. I can't do live judging because my broadband connection is very bad but the method I follow is that I receive a clubs images (usually through WeTransfer) and send back a report and scoring as a pdf file which can be circulated to members. In the file I give my comments on each image just as I would do live. The scoring is as required by the club (marks or 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>). I have managed to get back to the club within a week and usually within 3 days. Any clubs interested need to contact me and arrange a booking as they would normally.

**Revd. Charles Thody**

Dunholme Camera Club

Tel:- 07738 356048

e-mail:- [charles.thody@gmail.com](mailto:charles.thody@gmail.com)

I would certainly be happy to give a lecture online. I've tended to use Zoom, although there is now a charge for a license for meetings more than 30 minutes and more than 2 people I do not hold that license. I'd be happy to use whatever platform a club or society is used to or holds a license for.

**Mr. Peter Yeo FRPS DPAGB APAGB**

Newark & DPS Tel 01427 718468

e-mail:- [peterdavidyeo3274@btinternet.com](mailto:peterdavidyeo3274@btinternet.com)

I have agreed to judge a competition where the club sends me images via e-mail, I comment and send notes on my deliberations to the Comp Sec.

**Mr. Grahame Dunkin.**

Dunholme CC.

Tel 01673 860469

e-mail:- [grahame@lincsphoto.co.uk](mailto:grahame@lincsphoto.co.uk)

Happy to judge competitions, can do them either live, pre judged and recorded so that the club can see them on the Dunholme Camera Club YouTube channel that we use every week for our meetings, or control the evening and judge live and the club requesting the judging can watch whilst I'm doing it live once again on our Dunholme CC YouTube channel or judge and produce notes.

If anyone wants me to do a talk I have a few that I could do. I can do these via the same method as above Live Stream through the receiving club through YouTube, if someone wants me to work through Zoom or other platforms I'm prepared to discuss it.

**Mrs. Lynn Haith LRPS.**

Grimsby PS. Tel 01472 320415

e-mail:- [lynn.haith@ntlworld.com](mailto:lynn.haith@ntlworld.com)

I am happy to judge competitions either live on Zoom (or similar - as long as the club handles the technical bit) or to work offline and send marks/comments to the clubs. Would appreciate receipt of images at least seven days in advance.

**Mrs. Diane Seddon ARPS AFIAP CPAGB BPE3\*** Cleethorpes CC Tel 01507 363373

e-mail:- [dianeseddon@btinternet.com](mailto:dianeseddon@btinternet.com)

Happy to do talks and judging via zoom - I also will do written judging comments if the club does not do zoom meetings. I know some don't. Talks - I use Zoom - I use the club platform as I don't have an account of my own. It's easy to do, and I've done a lot of zoom meetings now, so almost second nature. Judging I prefer to do 'live' - club to send images over a few days in advance works very well. Image transfer done usually using [www.weTransfer.com](http://www.weTransfer.com)

**Mr. Dave Stewart LBPPA** Deepings CC Tel 01733 810583 Mob 07729 876606

e-mail:- [dave@xtreme-action-images.com](mailto:dave@xtreme-action-images.com)

I have been doing some online judging and happy to do so for the future, preferably via Zoom or similar live system.

Likewise, my talks are now all available as a Zoom presentation, although it would need the club to host it. I think many clubs have already purchased a license so there are no issues with time restraints. I aim for 2 halves of 45 minutes for judging or talks.
